NEWS FROM NEW-JERSEY.

JERSEY CITY. MAYOR WANSER TAKES IT EASILY.

The passage of the act directing Mayor Wanser, of Jersey City, of the power of making appointments overrules the will of the people, as Governor Vreese said in his veto, and destroys municipal home rule.

Another act that serves to nullify Mayor Wanser's efforts for reform is the bill enabling the Democratic authorities to pay the concealed ballot-box stuffers the salaries that, while ostensibly paid for services to the city, were really the price those men were to receive for their fraudulent services in the election booths...

William Doerr, twenty-two years old, of No. 6 Wanser's street, Alexander McGuffin, of 101 Madison street, Jersey City, quarreled yesterday and McGuffin was stabbed in the left breast. Doerr was arrested and committed for examination...

EDWARD J. ATKINSON.

An unwritten law of the Grand Army limits the term of the National Commander to one year. A statement, copied from a Milwaukee newspaper, has been widely circulated which asserts that Commander-in-Chief Welser is a candidate for re-election. It is believed by his friends to have its origin in an attempt to injure his influence. It is thought to grow out of a purpose to counteract the effect of Comrade Welser's letter to Congressman O'Neil on the pension question. Seeing this report and believing it wholly unfounded, Comrade George Edward Allen, of Providence, Rhode Island, has written the following representative gathering and comrades were present, not only from nearly every post in New York, but from Kings, Westchester, Richmond, Queens and Suffolk counties, and from far up the Hudson. Comrade Walter Dill called Past Commander Thomas McGrann to preside, who made an address recounting Comrade Atkinson's labors and sacrifices as a Grand Army man, not omitting his services as secretary of the New York Memorial Committee during the last eleven years. The guest of the evening, Mr. Allen, introduced, and the audience thanked his conductors of Clifton Post and other friends for the cordial good will which they would sooner betray than defend. Other speeches were made by Commander Abraham G. Mills, of Lafayette Post, No. 140; the Rev. Dr. Kimball, past chaplain; General Nicholas W. Day, of John A. Dix Post, No. 136; Past Department Commander James S. Fraser; Past Commander Joseph W. Kay, of Winchester Post, No. 197; Brooklyn; Commander Thomas W. Smith, of Alexander Hamilton Post, No. 182, and Past Junior Vice-Department Commander Full Grant. The engrossed resolutions adopted by the Memorial Committee, intended to give evidence of its appreciation of Secretary Atkinson's long and faithful service, were presented by Past Department Commander Fraser on behalf of the committee. The recipient made a brief and fitting reply. The resolutions were mounted in a handsome frame. A sumptuous luncheon followed, which proved highly popular with all hands. The proceedings closed with a couple of hymns and a benediction.
